Almost all reports and databases that the Conservation Biology Institute has produced are normally available at <http://www.consbio.org/what-we-do>. If you see a report at this site that is only offered as a downloadable PDF document and would like a printed version instead, simply write it in the blank box at the end of the item list.

Item Number	Item Description	Quantity	Unit Price	Total
05-10-HCa	The Importance of Western OR BLM Lands		\$40	
05-10-HC	Oregon's Legacy Wild Forests		\$10

Shipping and Handling*	
TOTAL	

*Shipping and handling charges for U.S. orders are \$5 for the first item and \$2 for each additional item. For example, an order for three reports and one CD-ROM would have shipping and handling charge of \$11. Contact CBI for orders shipped outside of the U.S.

Please include a check or money order made out to the Conservation Biology Institute for the full amount with your order. We cannot accept credit card orders. Please allow two to three weeks for your order to arrive.

If you have any questions, please call CBI or email us at mwampler@consbio.org
