

## Dominick A DellaSala, Ph. D<sup>1</sup>

222 Joseph Drive; Talent, Oregon  
541-621-722; [ddellasala@consbio.org](mailto:ddellasala@consbio.org)

I am a dedicated conservation scientist having served as CEO and Chief Scientist of several organizations with over 4 decades experience in conservation biology and climate change planning from regional to international. I have 350 peer-reviewed publications and 8 multi-authored books; extensive public speaking, media and government relations; founded and directed organizations and non-profit governing boards; managed small and large numbers of staff; and stewarded large donors and multi-year gifts. I seek to inspire, support, and communicate effectively in goal-oriented large-scale conservation with a climate focus.

## Education (1979-89)

**Adelphi University**, Garden City, New York  
Bachelor's Degree (highest honors) May 1979

**Wayne State University**, Detroit, Michigan  
Master's Degree (highest honors) May 1982

**University of Michigan**, Ann Arbor, Michigan  
Ph. D (highest honors) June 1986

**Post-doc Research Fellowships on Endangered Species:** Oregon State University (1986-88),  
University of Wyoming (1989)

## Employment

**Ebasco Environmental (large consulting company)**, Science Program Manager, WA (1989-1993)

**World Wildlife Fund**, Washington, D.C; Director (1993-2006)

**Oregon State and Southern Oregon Universities**, Adjunct faculty (2008-16)

**Geos Institute**, Ashland, OR; Chief Scientist/President (co-founder) (2006-2020)

**Wild Heritage, a project of Earth Island Institute**, Berkeley, CA; Chief Scientist (2020-2025)

**Conservation Biology Institute**, Corvallis, OR, Senior Conservation Scientist, Assoc. Program (current)

## Executive Experience

- Office management, media and government relations, board relations, staffing, multi-disciplinary projects, diverse coalitions, budget tracking, grant and contract management.
- Diverse fundraising portfolio - foundations, universities, donors from \$1,000 to \$1 million.
- Diversity, equity, and inclusivity training and application.

## Boards, Coalitions, Committees

- White House Office Science and Technology Policy (1998, appointed by President Clinton)
- International Forest Conservation Chair (WWF, 1995-2000)
- Northern Spotted Owl recovery team (2006-2008, selected by US Fish Wildlife Service)
- Alaska Coastal Rainforest Center (affiliate scientist, 2011-2014)
- North Pacific Landscape Conservation Cooperative (US Fish & Wildlife Serv.; 2012-2014)
- Technical reviewer for IPCC (2016, 2018)
- Forest Carbon Task Force (selected by governor, 2016-2019) (two terms)
- Scientific advisor for multiple coalitions (Alaska, PNW, national, international)
- Society for Conservation Biology (elected board president 2004-2012; two-terms)
- National Biodiversity and Climate Change Assessment – USGS annual report (2024-25)

---

#### *Science Journals and Encyclopedia Boards*

- Encyclopedia of Conservation (2021; co-chief editor, Elsevier); Encyclopedia of Biomes (2019; co-chief editor, Elsevier); Encyclopedia of the Anthropocene (2018; co-chief editor, Elsevier); Earth Systems and Environmental Sciences (2017, Elsevier); Natural Areas Journal (2008-2020); Conservation Biology (2012-16); Diversity (2015-present); Forests (2019-present, chief editor Biodiversity Section); Land (2019-present); Biological Conservation (2024-present).

## Leadership, Training, Fellowships

- *Conservation Leadership Awards*: Wilburforce Foundation and World Wildlife Fund (twice) for roadless areas and national monuments.
- *Choice Magazine Book Publication Award* – Temperate and boreal rainforests of the world (the only award given to an Island Press book that year).
- *Fulbright Specialist*. U.S. State Department academic specialist (two years).
- *Griffith University Australia scholar* for global research on primary forests.
- *Training Resources for the Environmental Community and Management Skills for the New Supervisor including Diversity/Equity/Inclusivity* (Padgett Thompson).
- *Certificates in Wetland Delineation* (Wetland Training Institute), and *US Fish & Wildlife Service Habitat Evaluation Procedures*. Previously a registered bird bander.

## Government and International Relations

Expert witness and briefings at numerous State and Congressional hearings on climate change, forests, wildfire, endangered species, and scientific integrity; President Clinton's historic White House roadless ceremony and national monument designations; COP15 NGO biodiversity delegate; Oregon Governor Kate Brown's forest carbon advisory team; White House sustainability initiatives. Biodiversity research teams in Australia, Europe, tropics, US and Canada. Tribal partnerships on conservation and development, carbon offsets, and land acquisitions for conservation.

## Publications (2000-present, dozens prior not shown)
