

Appendix E: Resources for the Land Manager

Sources of expert advice and guidance

Certified Rangeland Managers, <https://casrm.rangelands.org/HTML/certified.html>

Local University of California Cooperative Extension Livestock Advisors,
https://ucanr.edu/sites/UCCE_LR/Beef_Cattle/Beef_Cattle_Advisors/

Local Natural Resource Conservation Service Range Conservationist
Riverside-Corona Resources Conservation District, <https://www.rcrcd.org/contact-us>

Tools for managing SKR habitat

Grazing

Targeted Grazing, CA Wool Growers Association website
<https://californiawoolgrowers.org/targeted-grazing/>

Becchetti, T. *et al.* Grazing. in *Best Management Practices for Non-Chemical Weed Control*.
Cal-IPC Report to California Department of Pesticide Regulation (2020).

Fire

The Use of Fire as a Tool for Controlling Invasive Plants. (2006)
<https://www.cal-ipc.org/resources/library/publications/fire/>

CalFire Vegetation Management Program website
<https://www.fire.ca.gov/programs/resource-management/resource-protection-improvement/vegetation-management-program/>

Herbicides

CAL-IPC. *Best Management Practices for Wildland Stewardship: Protecting Wildlife When Using Herbicides for Invasive Plant Management*. (2015)
<https://www.cal-ipc.org/docs/bmps/dd9jwo1ml8vttg9527zjhek99qr/BMPHerbicide.pdf>

Invasive Plants

UC Davis Agricultural & Natural Resources Integrated Pest Management Program,
<http://ipm.ucanr.edu/>

Cal-IPC. *Land Manager's Guide to Developing an Invasive Plant Management Plan*.
<https://www.cal-ipc.org/resources/library/publications/developingplan/> (2018)

DiTomaso, J. *Weed Control in Natural Areas in the Western United States*. (University of California Weed Research & Information Center, 2013).
<https://www.cal-ipc.org/product/weed-control-in-natural-areas-in-the-western-united-states/>

University of California Agricultural and Natural Resources Statewide Integrated Pest Management Program website <http://ipm.ucanr.edu/>

Cal-IPC. *Preventing the Spread of Invasive Plants: Best Management Practices for Land Managers* (3rd ed.). www.cal-ipc.org (2012)

Johnson, D. *Stewarding California's biodiversity: Early detection and rapid response (EDRR) for invasive plants*. www.cal-ipc.org and <https://calandscapestewardshipnetwork.org> (2020)

Grassland Restoration

California Native Grasslands Association's Grassland Restoration and Management Resources website, <https://www.cnga.org/Grassland-Restoration-&-Managment>

Barry S, Larson S, George M. 2020 (2006). **California Native Grasslands: A Historical Perspective--A guide for developing realistic restoration objectives**. *Grasslands*, A Publication of the Native Grass Association Vol 30(1):5-10.
https://cnga.org/resources/Documents/Grasslands%20Journal/Grasslands%20Articles/Perspective%20and%20Review%20Articles/Barry%20et%20al%202020_HistoricalPerspective.pdf

Restoration Manual for Annual Grassland Systems in California, ANR Publication 8575, June 2017, written by former CNGA Director, Elise Gornish and Julea Shaw.

Stipa pulchra Restoration, Edith Alen

Gornish, E. S. & Shaw, J. *Restoration Manual for Annual Grassland Systems in California*. (2017)

https://cnga.org/resources/Documents/Resources/Restoration%20Resources/Grassland_Restoration%20Manual.pdf

Stromberg, M., Corbin, J. & D'Antonio, C. *California Grasslands, Ecology and Management*. (University of California Press, 2007).

<https://www.ucpress.edu/book/9780520252202/california-grasslands>

Guidance for developing management plans

Cal-IPC. *Land Manager's Guide to Developing an Invasive Plant Management Plan*. (2018)

<https://www.cal-ipc.org/resources/library/publications/developingplan/>
